LAUDS MR. HUGHES CHINESE MINISTER
At Cornell Club Dinner Dr. Sze Praises Arms Conference Work.

Secretary of State Hughes' monumental work in the recent arms conference will yield him a lasting place in the world's diplomatic history, Dr. Sao-Ke Alfred Sze, Chinese Minister to the United States, declared last night before the Cornell Club dinner at University Club.
The dinner was given in honor of Dr. Livingston Farrand, president of Cornell University, and Minister Sze, who was the first Chinese to graduate from that university.
"Mr. Hughes," said Minister Sze, "is a man of the world and for the world. To the Chinese he is only matched by John Hay. To Americans, if you will permit me to make this remark, he will stand above Daniel Webster and William Seward."
Without the constant assistance and intervention of Secretary Hughes at the arms conference, Dr. Sze declared, the perplexing Shantung question would never have been solved.
Dr. Sze also paid a tribute to Senator Underwood for the work he did in the interests of China at the conference.
American universities are being overwhelmed by a rush for higher education, he said, because of the war. President Farrand told the Cornell graduates.
Dr. L. O. Howard was toastmaster. The banquet committee consisted of R. Bruce Warden, president; John Ihlder, vice president; William D. Leitch, secretary; Harry Eaton, H. Coward and R. Bruce Warden.

Creates 23 More Federal Judges
Senate Bill Provides Additional Men for Busy Districts.

Twenty-three additional Federal judges will help relieve congestion in the courts, under terms of a bill just passed by the Senate.
The judges, in the main, are assigned to areas where dockets are clogged. But provision is made for their transfer to other districts, which also may become congested.
Here are where the judges are provided: Massachusetts, 2; New York, 3; Pennsylvania, 2; Texas, 1; Michigan, 1; Ohio, 1; Illinois, 1; Minnesota, 1; Missouri, 2; Oklahoma, 1; Montana, 1; California, 2; Arizona, 1; Georgia, 1; New Jersey, 1; Florida, 1; New Mexico, 1.
The vote in the Senate, yesterday, was 44 to 21, and in the main followed party lines. Chief opposition to the bill arose from the fact that it would enable the present administration to appoint a large number of new judges, and would permit judges to be assigned by the Chief Justice of the Supreme Court.

Rev. Rarick Promoted.
Rev. Charles C. Rarick, associate secretary of the board of temperance of the Methodist Episcopal Church, with headquarters in this city, has been appointed as district evangelist of Portland, Ore., district. He will assume his new duties on May 1.

S. S. S. Fills Out Hollow Cheeks, Thin Limbs!

Man and woman—whether you will ever build yourself up to your normal, just-right weight depends on the number of blood-cells in your blood. That's all there is to it. It's a scientific fact. If your blood-cell factory isn't working right, you will run-down, thin, your blood will be in disorder, and perhaps your face will be broken out with pimples, blackheads and eruptions. S. S. S. keeps your blood-cell factory working full time. It helps build new blood-cells. That's why S. S. S. builds up thin, run-down people, it puts firm flesh on your bones, it rounds out your face, arms, neck, limbs, the whole body. It puts the "pink" in your cheeks. It takes the hollowness from the eyes, and it foils Father Time by smoothing out wrinkles in men and women by "plumping" them up. S. S. S. is a remarkable blood purifier. While you are getting better, blotches are being removed. The medicinal ingredients of S. S. S. are guaranteed purely vegetable. S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.
